

## Water For Zambia

During Advent we are being challenged to *worship fully, spend less, give more and love like Jesus*. If North Americans could redirect some of their Christmas spending to help people get safe water, we would see how Christmas can still change the world. Inadequate water is one of the gravest problems in Africa and we can do something to help.

Fleetwood CRC has taken on a special water project this Advent season. In Lusaka, Zambia, where many children are orphaned or abandoned because of poverty and illness, there is a **crisis nursery** called the Bill and Betty Bryant Home. This home needs a new water system to accommodate the children who will move in. The present system is inadequate.

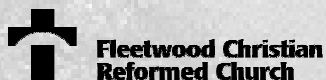

*Our goal is to purchase a new tank, pump and add a new bathroom with flush toilets to the crisis nursery.*

The Deacons of Fleetwood CRC believe that our church has been called to help with this project. We ask you to prayerfully consider helping to raise the **\$15,000** needed for this to become a reality. Next week, on December 20th, we will take an offering during the morning worship service. Please keep it in your hearts this week.

If you have any questions or would like more info talk to Kevin Van Ravenstein in person or email [kevin\\_6489@hotmail.com](mailto:kevin_6489@hotmail.com)

Visit the Alliance for Children Everywhere website at [www.childreneverwhere.org](http://www.childreneverwhere.org).

Thank you for your support.
